

SafeSide's Standard Evaluation: Measuring Progress and Impact

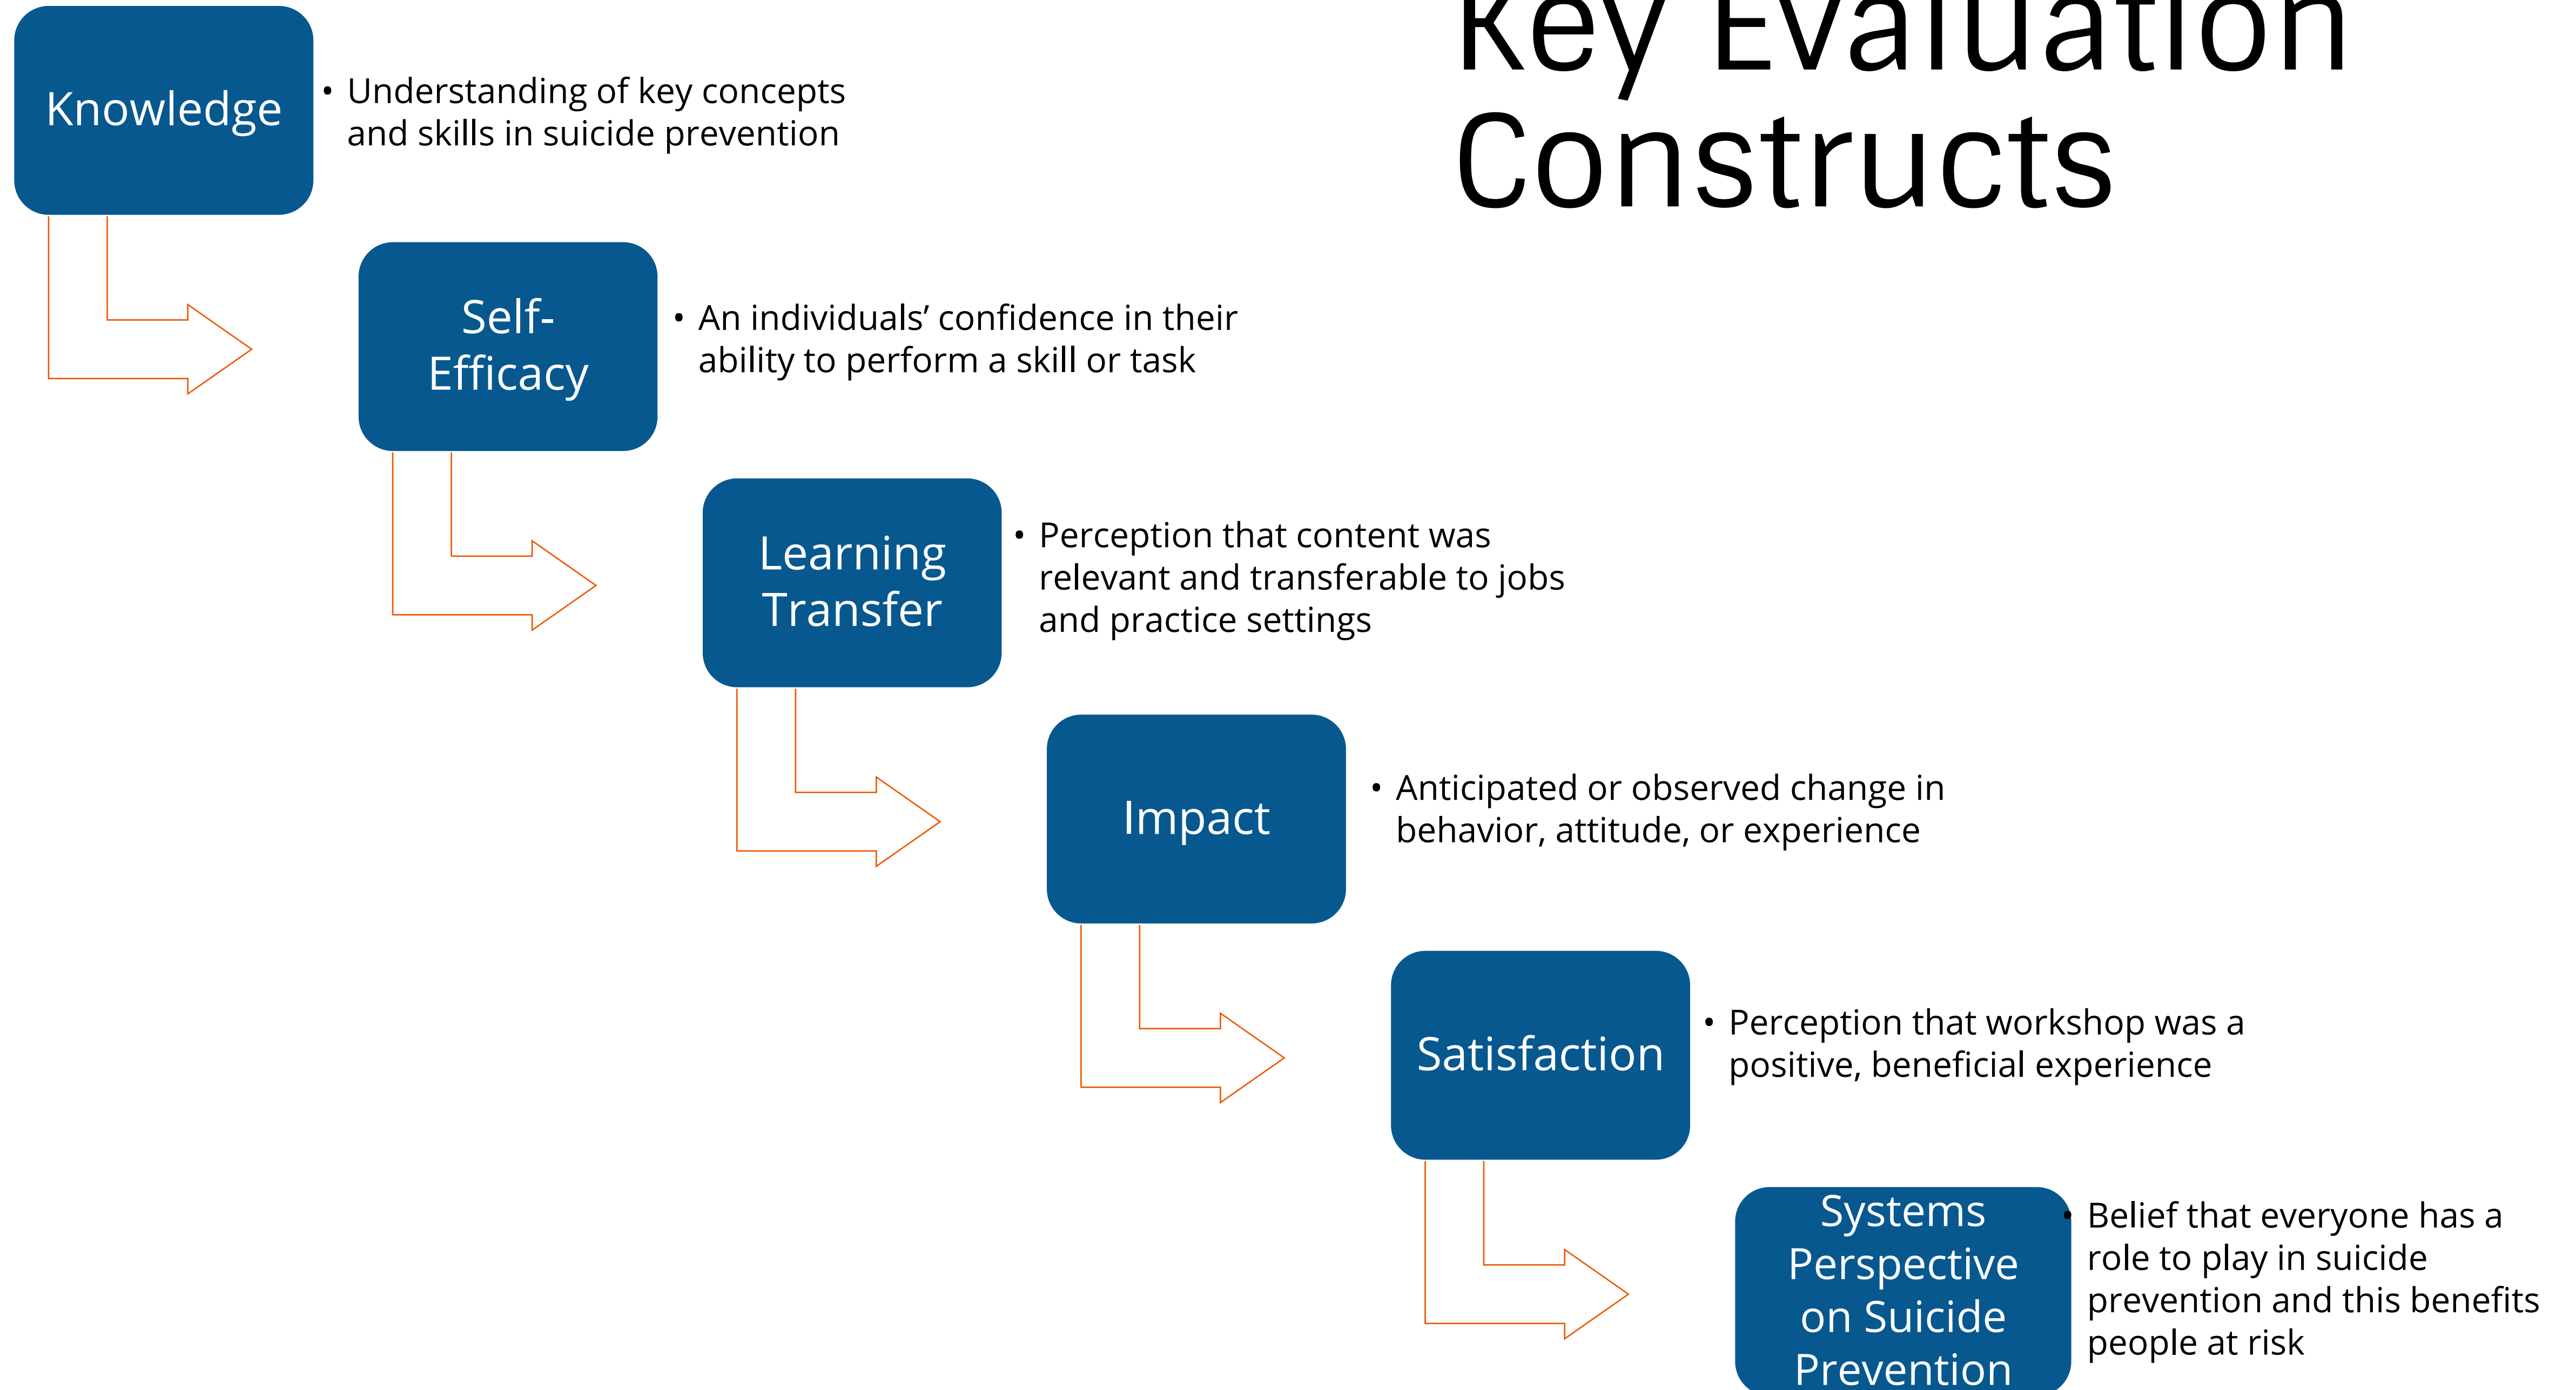

How do we measure impact?

Pre- and Post-Evaluations

Encourage participants to complete the pre- and post-evaluation so that we can measure impact in your workforce.

- Completion rates
- Changes in knowledge, self-efficacy, systems perspectives in suicide prevention
- Learning Transfer
- Impact
- Satisfaction

Key Evaluation Constructs

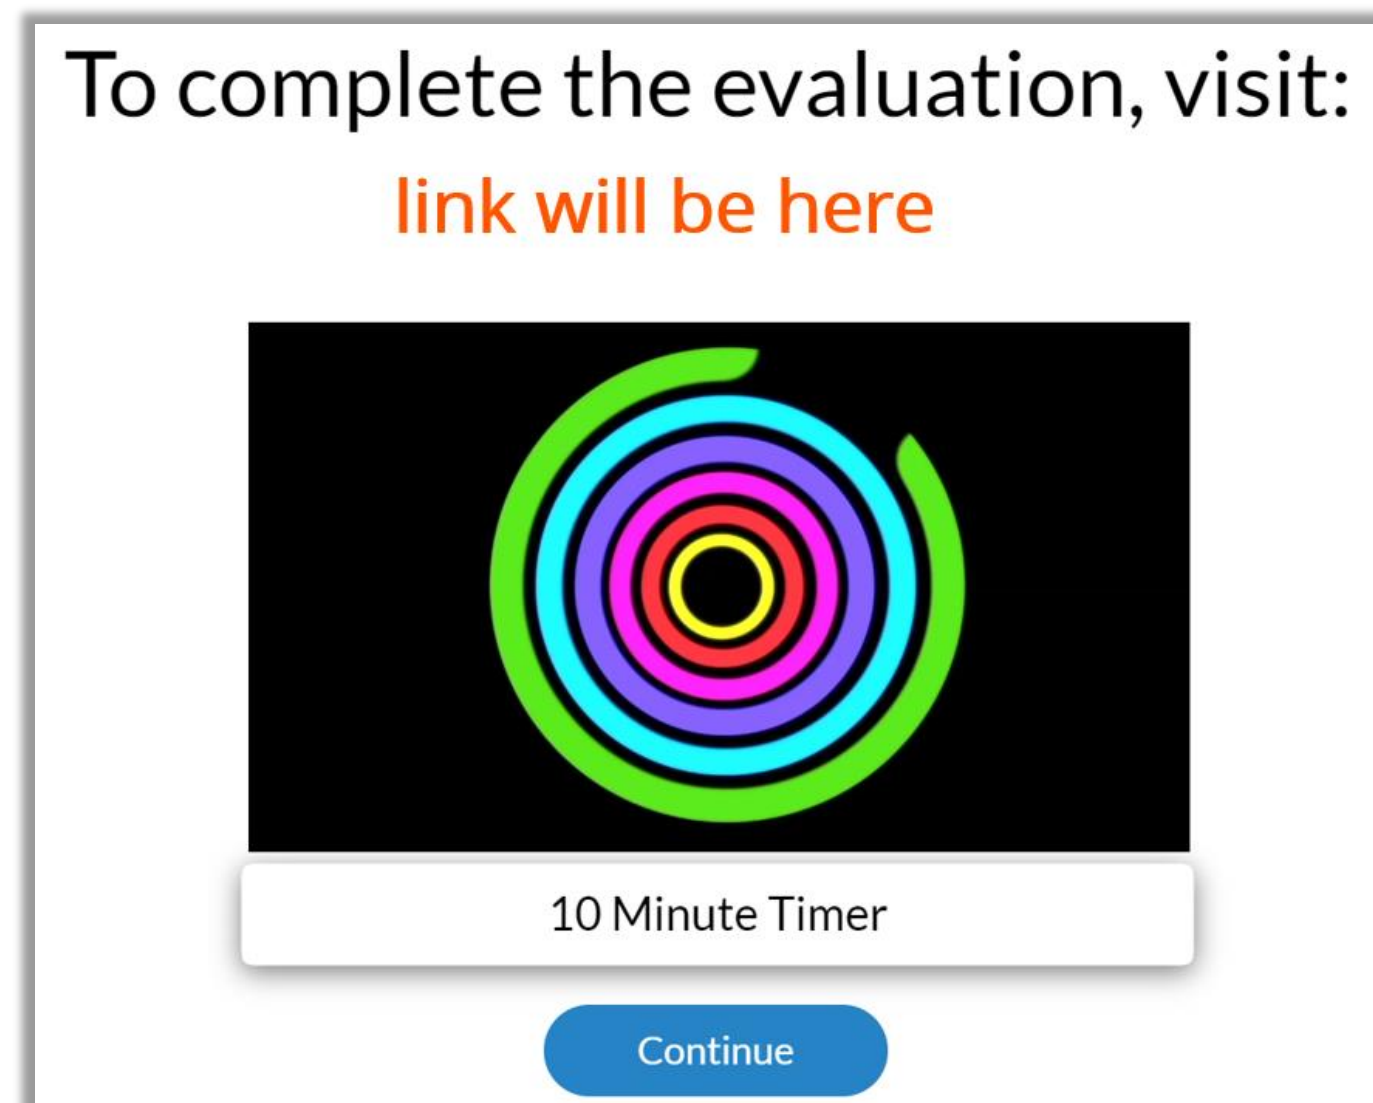

Standard Evaluation Construct Measurement

Pre-Workshop	Post-Workshop
Existing Knowledge	Knowledge Check
Self-Efficacy	Self-Efficacy
System Perspective on Suicide Prevention	System Perspective on Suicide Prevention
	Satisfaction
	Learning Transfer
	Impact (Intent to use, takeaways)

When participants complete the pre- and post-evaluation, we can report changes in knowledge, self-efficacy, and systems/organizational perspectives on suicide prevention.

Where can participants find the **Pre- and Post-Evaluations?**

- In the Introduction and Final Video Modules

- In the Participant Workbooks
